DETAILED ACTION

1. The objection to claim 2 is withdrawn as moot in view of the amendment.
2. The 9/30/03 IDS is resubmitted to indicate the proper serial number for the application.

Allowable Subject Matter

3. Claims 11 and 12 are allowed.
4. The following is an examiner's statement of reasons for allowance: The primary reasons for allowance is the inclusion of the following limitations in a method directed towards providing context-based dynamic policy assignment in a distributed processing environment:

“ a web based programming language method including a run-as-task descriptor operable for determining a current task name value associated with a request to access an application;
wherein said run-as-task descriptor values include:
caller, operable for specifying a current task name as 'run with caller's task name;
own, operable for specifying a current task name as 'run with an application name of an application containing a current component'; and
specified, operable for specifying an explicit task name to run as a current task name.” (as from claim 12)

This subject matter is not found in the prior art, nor is it obvious in view of the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
